

Signing Into the Membership Portal

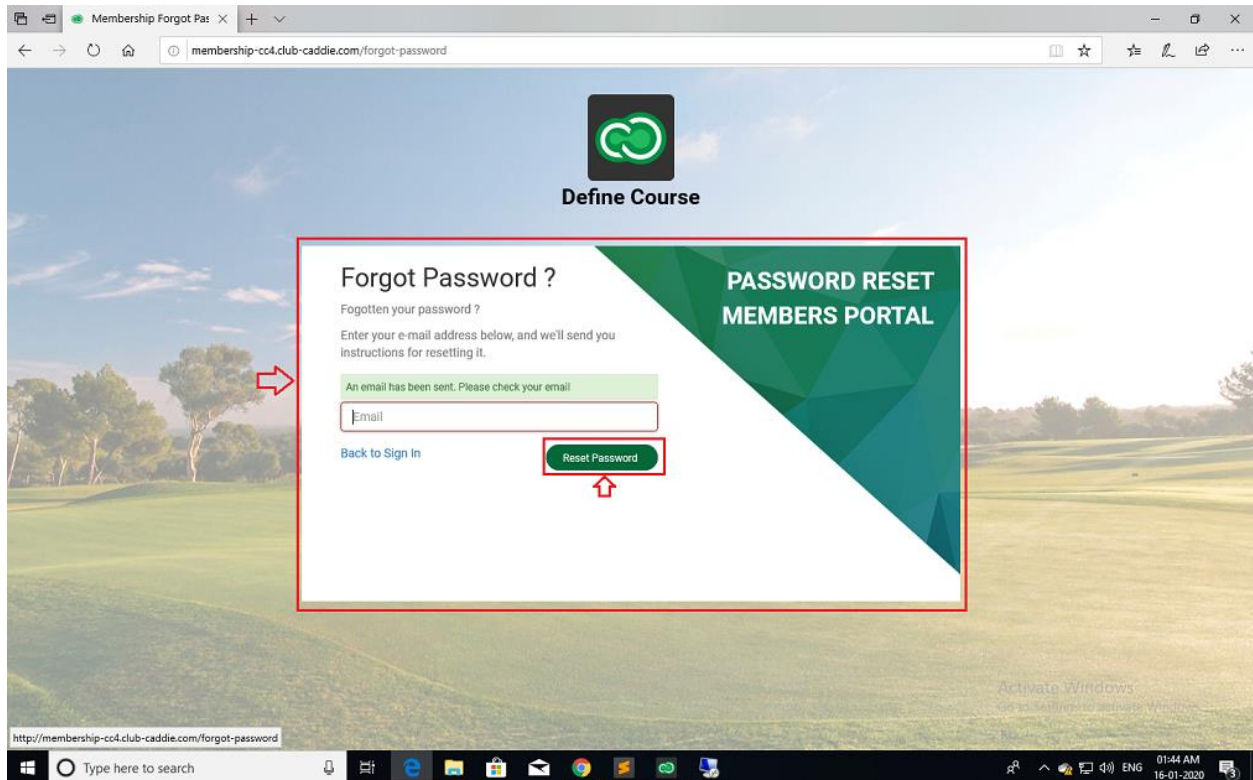

- Navigate to <https://petedye.com>
- Under the “Members Tab”, select “Member Area”
- Select the Membership Portal “Sign In” Button

- On the next screen, enter the email address the club has on file for your membership account
- Select “Forgot Password” in blue above the Sign In button

Enter your email address again and select “Reset Password”

You should receive an email with instructions to reset the password for your account.

Reasons why you might not receive a reset password email.

- The email may be in your junk/spam folder
- The email you've entered is misspelled
- The email you've entered does not match the email the club has on file.

If you're certain the email is correct and you've still not received the reset password email, please contact the club and the staff will be able to manually provide you with a password, and/or ensure they have the correct email on file.

Once you've successfully secured a new password for the account, you can revisit the membership login page and sign in with your new password.

Adding a new payment method for membership billing purposes

After a successful login, click on the "Set Up Auto Pay" from the left row of the window.

- To add a new credit or debit card click, on "Add new card". Fill all the info then click on "Add this card to auto pay". The card will be added to saved card.
- To add ACH Payment, click on "Add ACH Details" and complete all the info then select "Add Account".
